Accredited Laboratory

A2LA has accredited

LIFE PACKAGING LABORATORIES LLC, DBA LIFE PACK LABS

Vista, CA

for technical competence in the field of

Mechanical Testing

This laboratory is accredited in accordance with the recognized International Standard ISO/IEC 17025:2017 *General requirements for the competence of testing and calibration laboratories*. This accreditation demonstrates technical competence for a defined scope and the operation of a laboratory quality management system (refer to joint ISO-ILAC-IAF Communiqué dated April 2017).

Presented this 3rd day of February 2022.

A blue ink signature of the Vice President of Accreditation Services.

Vice President, Accreditation Services
For the Accreditation Council
Certificate Number 4414.01
Valid to February 29, 2024

For the tests to which this accreditation applies, please refer to the laboratory's Mechanical Scope of Accreditation.
